GREAT GRAND CHILDREN & THEIR AGES (yes, we are that old!)

WHAT HAVE YOU BEEN UP TO FOR THE LAST 40 YEARS?

Following a couple of degrees from MSU, I was a wildlife biologist for the Michigan Dept. of Natural Resources for 9 years. After moving into a management position with the DNR, the Christmas fever eventually caught up with me. Since 1983, I've been working with my family in the management of Bronner's CHRISTmas Wonderland. Now that my father, Wally has passed away, I find myself wearing bright red sport coats and flashy Christmas ties, representing our business as the "head elf."

Thoughts: Who are you now? What is most important to you now?

Family, Friends, Church, Community and Good Beer rank high on my list. Hobbies include photography, woodworking and outdoor activities.

Something you have always wanted to tell all of your classmates:

If I might have been shy in high school, that certainly isn't the case now !
