GREAT GRAND CHILDREN & THEIR AGES (yes, we are that old!) NO

WHAT HAVE YOU BEEN UP TO FOR THE LAST 40 YEARS? Lots, IN the last 40 years,  
To much to say everything  
After school, I went into the U.S. Army for 2 yrs.  
Went to Vietnam for awhile, was injured, then came home.  
When I came home I started my own home painting business,  
been doing that for 38 yrs. Plus I worked at Carlings Brewery  
for 4 yrs, plus I managed the Stein house bar & restaurant for a few  
years, then I drove truck for 4 yrs. Then I became disabled from spine  
problems, then I went to Pastor school and became a part time Pastor →

Thoughts: Who are you now? What is most important to you now?

Most important to me? are my children, and family  
Who am I now? Well I believe I am the same  
person, but I have changed my direction in life for  
the better, In the last 10 years. I like to help others if I can  
from my past experiences, and pass the good word to them

Something you have always wanted to tell all of your classmates: from what I have learned  
I wish I would have been more closer to everyone  
but I was kind of a loner, most the time, and didn't talk  
to everyone that much, I was pretty bashful back then.

I always felt like a  
outsider, because I  
was from the Upper  
Penninsula & U.P.A.

Wish I could make it this year,  
but I all ready had a 2 week  
trip planned to go to Tennessee  
to see my daughter for my birthday  
Oct. 5th.

in 2000, plus I am a singer, mostly a gospel singer for my church. And I also put on gospel concerts at other Methodist churches to, pretty often. I also am a Ventriloquist I have 3 different puppets I use. I use the puppets when I do childrens time during church, and at my concerts.

I sing other stuff to, some country, a rock, and love songs. I write some songs also, love songs, country songs and gospel songs to, this has become my main hobby, and I love doing it. I also sing for funerals, and weddings to, even a few open houses.

Personal things I have been married 3 times. 1st time in 1975 - to 1978, no children then. Then in 1980 I married again for 7 yrs and had 2 boys. Then in 1990 I was dating a Indian girl and ~~we~~ we had a daughter together she ~~lives in~~ lives in Nashville Tennessee she is 19 now, almost, her birth day is Oct 2nd 3 days before mine, so thats why I cant make it to see you all, thats were I will be for 2 weeks. She graduated last year. I turned 40 right after she was born. I also got married in 2000, for 3 yrs so I think 3 times and your out, maybe ha ha a person never really knows.

you all have fun

Wish I could be there.  
May God bless you all.
