GREAT GRAND CHILDREN & THEIR AGES (yes, we are that old!) _____

WHAT HAVE YOU BEEN UP TO FOR THE LAST 40 YEARS?

We bought into ownership, and am employed by our family business of
62 years. Our service offer drainage systems primarily to the agriculture
community. We have enjoyed raising our family in the Frankenmuth area
and have managed to usher them through their school day years. Encouraging
and supporting their extracurricular and athletic activities has occupied much
of our time. God continues to bless us through our journey.

Thoughts: Who are you now? What is most important to you now?

Perspective and perception have "matured" but winning remains
the goal. "DIDO"

Something you have always wanted to tell all of your classmates:

There's always a lot to be thankful for if you take time to look for it.
For example I am sitting here thinking how nice it is that wrinkles don't hurt.
