GREAT GRAND CHILDREN & THEIR AGES (yes, we are that old!) N/A_____

WHAT HAVE YOU BEEN UP TO FOR THE LAST 40 YEARS?

The last 40 years have gone by so fast; I have been busy along with Margaret raising and supporting a family, 3 major moves (we live in Indianapolis, Indiana now), with my career and working in banking for 38 years, volunteering at church, volunteering in my communities, and for the past decade enjoying a beekeeping hobby. In more recently times we have been traveling, especially to visit our children and family. We have made frequent visits to Frankenmuth, Wake Forest, North Carolina (visiting our son Dan & daughter-in-law Becky and 2 grandchildren Abby & Luke), Seward, Alaska (visiting our daughter Dawn & son-in-law Tom).

Thoughts: Who are you now? What is most important to you now?

I enjoy family & friend gatherings, grandchildren visits, volunteering at church & church Bible studies, watching sports, my beekeeping hobby and beekeeping association activities, and teaching beekeeping to new beekeepers. In the last several years I have assisted when possible with my parent's care issues which require numerous visits to Frankenmuth, which I also enjoy. I retired in February and I am enjoying my free time (Margaret says that I am *unemployed*) and I am getting tired of her *daily honey-do-lists*, so I may be looking for a part time job to get out of the house and have a place to hide.

Something you have always wanted to tell all of your classmates:

I have always treasure all the family, friends, and relationships from my youth and my time spent at Frankenmuth High School, along with living and working in banking and Frankenmuth area after high school. As the Lord leads us in our retirement, possibly some day we may return to the area and renew those acquaintances.
